

Holiday Ornament Construction Kit

PROJECT NOTE:

Solid gray lines are for cutting!

Dashed gray lines are for folding!

FOR BEST RESULTS:

Print this PDF onto photo-quality ink jet paper to get the right balance of stability and shine!

EXPERT USERS:

X-ACTO knives are great. But please use caution!

15 Dec 06 - 15:08

Tjoe: "I double dare ya" 🤖

Armand: maddy! *huuuug*

Tjoe: Lennie - I dare you to ask your boss to make me some frosted cookies 🤖

Armand: Hi stefan 🤖

stefan_nl: we know Lies 🤖

fangirl: hello, Chainex4

Lieserl: ITS NOT A TATTOO

Tjoe: *sings badly* ROXAAAANNNNNNNEEEEEEE

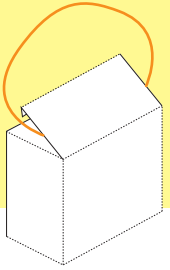

Lennie2020: Armand

yOkAmOsAnOuE: i tell you ..i was..like....wake up..diablo II...then...sleep time...then wake up..diablo II...and soo on and on..

COOL TIP:

Before inserting the lid, you could place a loop of ribbon or string into the ornament to allow you to hang it from a tree or even over a doorway. (In lieu of mistletoe.)

GIFT IDEA:

Put something neat inside the finished ornament and give it to someone you love!

a **BIG** thank you to **JERIC!**
